The Honorable Rosa DeLauro

Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding in fiscal year 2024 for the Village of Bolingbrook Water Reclamation Plant #3 Expansion project. The entity to receive funding for this project is the Village of Bolingbrook located at 375 W. Briarcliff Rd, Bolingbrook, IL 60440.

The funding will be to complete construction of the west side treatment plant. This project is an appropriate use of taxpayer funds because it will allow Bolingbrook to meet Illinois Environmental Protection Agency phosphorous and nitrogen discharge requirements and allow for more capacity for future development.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Bill Foster
Member of Congress
